

A More Inclusive Workforce is a Stronger Workforce

A more diverse workplace is, simply put, good for business. Hire Me GA is focused on creating a more empowered workforce in which persons with disabilities are provided equal opportunities for employment and advancement. Persons with disabilities have an abundance of skills to offer employers and they should be given every chance to be gainfully employed.

Whether you are looking for a job, looking to hire, seeking more resources or job training programs, consider Hire Me GA your hub for all things job related.

Hire Me GA is here to end the stigma of hiring persons with disabilities and bridge the gap between employers and applicants with disabilities.
